

United States Department of State

Washington, D.C. 20522-0518

CONTINUED SERVICE AGREEMENT

In consideration of the payment by the Department of State of expenses incident to my Foreign Service appointment for travel, transportation, moving and/or storage of household goods and personal effects and other applicable allowances for myself and dependents as authorized under the Foreign Service Act of 1980, as amended, I hereby agree to remain in the service of the U.S. government for 12 months following the effective date of my appointment, which period does not include any period spent in work-related training offered by the Department.

I further agree that in case I violate the terms of this agreement during the above-described 12-month period, unless separated for reasons beyond my control and acceptable to the Department of State, all monies expended by the U.S. government for such travel, transportation, and other applicable allowances will become due and payable by me and recoverable as a debt due to the United States government.

I understand that the Department of State may waive recovery of this debt in those circumstances where the Department, in its sole discretion, determines that recovery of this debt would be against equity and good conscience.

I further understand that I will not be eligible for separation travel and shipment of effects to my home of record if I resign prior to completion of my first assignment abroad, unless my separation is for reasons beyond my control and is determined to be advantageous to the United States government.
